Discuss

- Can you explain the idea of "propitiation" (v. 10) in your own words?
- In verse 14, John writes that "the Father has sent his Son to be Savior of the world." Does that mean that everyone is saved? Support your answer using this passage.
- How would you respond to someone who says "I love God, but I hate the church"?
- Should a Christian who is in debt give?
- Is it wrong for a church or Christian organization to accept money from unbelievers (including foundations)?
- Since the world has now become our neighbor, how can we know which needs to meet and which to ignore?
- Is it wrong for American Christians to live in luxury when there are so many needy people around the world?
