

Our hope is that you were challenged by Sunday's message and would desire to take the study a little deeper. Whether for personal study, family study, or for a Home Group gathering, use this study to go deeper.

May 13, 2018

Open

This week we look at God's crowning creation, man. Many theories on the creation of man have been presented through the ages. Theories such as evolution and alien placement, however, the Bible gives us a clear description on the origins of man (God's Crowning achievement).

Read

Genesis 1:26-2:3

Discuss

- Created in God's image – What are some examples of the meaning of this?
- What was man's original commission, and how does that look today in our present world?
- What is God's ultimate plan for man, and how does He plan to accomplish it?
